

Record ₹1.22L cr raised via QIP in FY25 so far

Seventy-eight companies have raised a record ₹1.22 lakh crore through Qualified Institutional Placements (QIPs) in the current fiscal year so far (until February), according to data sourced from Primedatabase.com. The amount raised is 77%

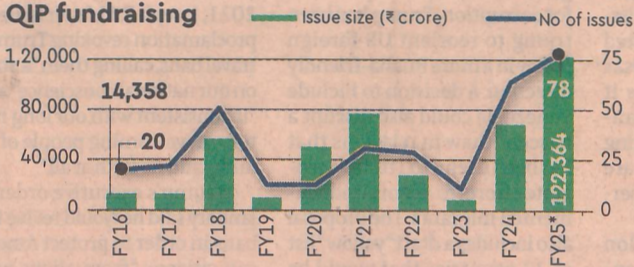

higher than the ₹69,306 crore collected by 64 firms in fiscal 2024. The previous record for QIP issuance was ₹78,045 crore in fiscal 2021.

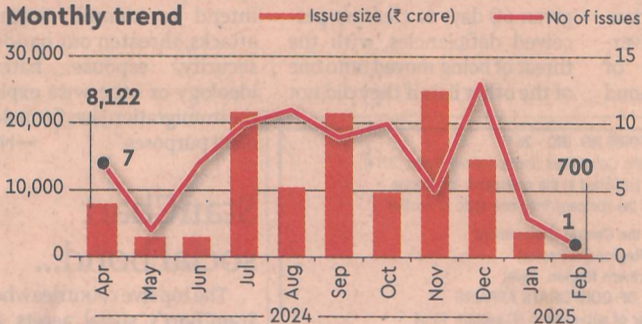

QIP is one of the fastest ways for listed firms and investment trusts to raise funds from institutional investors.
